

Recreation and Leisure

TEAM LEADER

Be more active, explore your interests, socialise with friends or become part of a club.

We have loads of activities with new events every month including :

- Activities with friends, such as BBQs or movie nights or just hanging out together.
- Friday nights out – such as going out for dinner, a GSL dance party or night fishing.
- Join a club or team: such as a sports team or youth group.
- Fitness training at the gym.
- Try a new hobby: music, craft, art or learning something new.
- Day trips and weekends away such as overnight football trips to Townsville or camping at the beach.

We also offer ABL: adventure based learning experience.

Led by a provisional psychologist these day trips and overnight camps offer a whole range of exciting experiences from canoeing and rock climbing to games and songs around the campfire.
